The Airport Flyer provides an inexpensive express transit connection between Miami International Airport, Metrorail and Miami Beach, with service every 30 minutes from 6 a.m. to 11 p.m., seven days a week.

Buses are equipped with luggage racks and comfortable seating with plenty of legroom so you can ride in style. Before getting to Miami Beach, the Airport Flyer makes one stop at Metrorail's Earlington Heights station, where passengers can catch a train to downtown Miami or anywhere along the Metrorail system. Once in Miami Beach, transfer to any of the local bus routes.
